Concierge Pharmacy Service

Need prescription medication following your hospitalization? The Hospital of Saint Raphael's "Concierge Pharmacy Service" now coordinates outpatient medications at the bedside. Saint Raphael's Concierge Pharmacy Service will fill your prescription on discharge, giving you one less stop to make on your road to recovery.

Convenience

If you are eligible for Concierge Pharmacy Service, a member of the Pharmacy staff will come to your room during your hospital stay to:

- Coordinate your medication needs
- Expedite your immediate prescription needs
- Coordinate your payment, if applicable (cash, checks or all major credit cards accepted)

Simply contact your nurse during your hospital stay to begin the process. The Concierge Pharmacy Service is available Monday through Friday, 8:30 a.m. to 4:30 p.m.

Apothecary and Wellness Center

All patients treated at Saint Raphael's clinics or medical offices can enjoy "one-stop shopping" by filling their prescriptions the same day as their appointment at the Apothecary and Wellness Center, located next to the hospital cafeteria.
